No plans for the weekend? Another Fabulous Feasting at Błonia is on its way!

2020-04-13

The next picnic is already scheduled for August 31st! On this day, in the green space of Strefa Błonia, located at Bistro Błonia, a unique meeting will be held for all four-legged friends, their owners, as well as those who simply want to enjoy a good time and also support the residents of the animal shelter that are under the care of the Krakow Society for the Protection of Animals.

There are plenty of attractions waiting for you during the Picnic. From 12:00 am to 5:00 pm you will be able to consult with a dog behaviorist, ask the artist Maja Hanausek for a portrait of your pooch, take a souvenir photo in a photo booth or win fabulous prizes for your pet. Bistro Błonia has prepared regional delicacies in a modern form for food lovers.

In addition, you will be able to buy Andrzej Mleczko's posters, and all proceeds from the sale will be go for the care of our dogs. The event will be hosted by the entertainer Łukasz Lech.

And finally, the best treat - comfortable deck chairs, good weather forecasts and a lot of green area that will allow you to catch your breath from the busy bustle of Krakow!

The event's partner is the European Capital of Gastronomic Culture Krakow 2019. Co-organizers and sponsors of the awards are the Zoo Plus brand and the Hitt Dog Training School.

You can go to the picnic on foot, head towards Błonia in the direction of the Cichy Kącik end station, as well as by tram (No. 14 and 24). At Strefa Błonia there is also a free large private car park, with access from ul. Chodowieckiego.

Błonia Film Zone - Outdoor Cinema (September 11th)

Summer is coming to an end, but Bistro Błonia does not stop creating a picnic chill-out atmosphere in its green space. Quite the opposite - September promises to be amazing!

We spent the hot city summer together with Bistro Błonia, celebrating ecologically in the Krakowian way during "Fabulous Feasting at Błonia" picnics! Families enjoyed time together, we helped charities, we partied and had something for car lovers and of course all of this accompanied by great food! Without doubt, each of the picnics was worthy of its "fabulous" name.

There will be two outdoor cinema showings during two Saturday evenings in September. Bistro Błonia and Żywiec invite you to the "Błonia Film Zone", where a big screen, cinema classics, comfortable deckchairs, delicious drinks and snacks (including different kinds of flavored popcorn and bagels with all types of hummus) are waiting for you. It will be a real feast for movie fans!
